

# TEAMWORK BUILDS SUCCESS.

## PARTNERS ONE SOURCE™

*Partners One Source allows Clients to concentrate on their primary responsibilities rather than overseeing the day-to-day elements of a complex construction project. The process is collaborative and may include as many project stakeholders as desired. Each phase is planned and executed to align strategy with budget and timeline.*

- *Budget cost evaluation to determine feasibility*
- *Review building systems to meet the users requirements*
- *Examine design to ensure feasibility of construction and selected material availability*
- *Select construction contracting method providing Client with greatest benefits*
- *Qualify appropriate contractors for bidding; evaluate and qualify bids*
- *Coordinate and schedule work to achieve and maintain project schedule*
- *Work with local governmental agencies to ensure all regulatory compliance requirements*
- *Ensure Project Delivery On-Time and On-Budget*
