

TEAMWORK BUILDS SUCCESS.

Since 1970, Partners has helped many companies unlock the potential of real estate value through a sale / leaseback program that offers:

***Fair Market Value • Off-Balance Sheet
Merger & Acquisition Support
Operational Flexibility • Capital Redeployment & Transformation***

Partners Sale / Leaseback Program can help your company convert real estate into cash at substantial savings when compared to issuing stocks or bonds. Through an "operating lease" under FASB guidelines, our program allows your team the opportunity to redeploy cash to your core business without the typical cumbersome financial covenants.

Let us help you unlock your potential...
